INVITATION

Welcome to the International Wild Rivers Science Symposium

We are pleased to announce that the International Wild Rivers Science Symposium (**IWRS 2019**) will be held on October 18th, 2019, in Tirana, Albania. IWRS Symposium brings together renowned national and international scientists (Europe, USA, Japan) to examine chances and issues to the protection of the world's last wild rivers. **Save the date!**

Wild Rivers Night

celebrates world's last wild rivers, with talks of national and international renowned scientists and live music.

Presentations: Klement Tockner (Austria), Robert Naiman (USA), Aleko Miho (Albania).

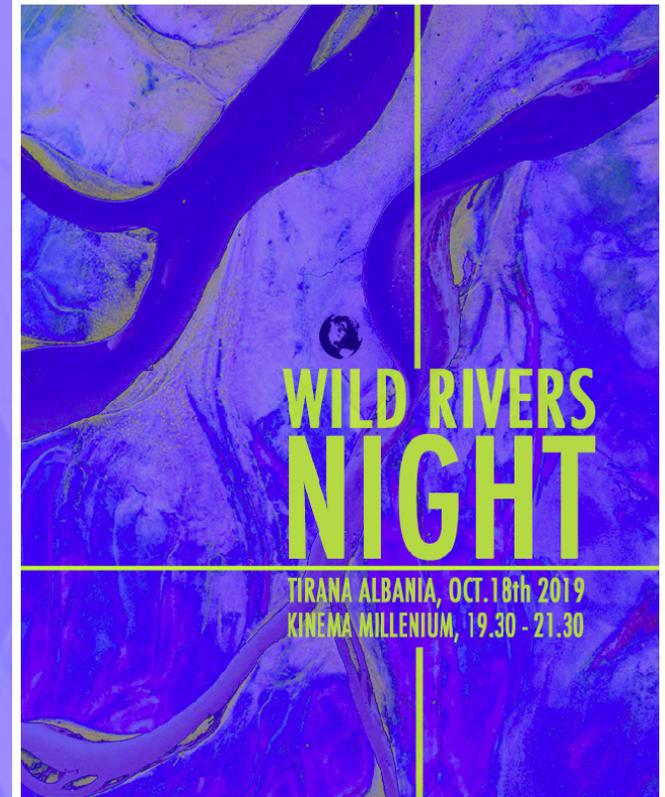

More Information:
