

The project partner NGOs EuroNatur (DE) and Riverwatch (AT) are looking for a

National campaign coordinator for Slovenia

to coordinate and conduct project activities along the Sava River in Slovenia in the context of the international campaign "[Save the Blue Heart of Europe](#)". In this campaign, the team is working towards saving the last living river stretches of the Sava River in Slovenia.

He/she will be working closely together with our partners from the Croatian Society for Bird and Nature Protection, who is responsible for the Croatian section of the Sava, as well as with the NGO Riverwatch, part of the international coordination team and responsible for the development of the campaign strategy.

The applicants will be responsible for the following main activities

- To develop a campaign strategy for Slovenia in close cooperation with the project partners (including EuroNatur) named above
- To implement the activities of the developed strategy
- To engage in networking, media work, lobbying on the national level and to take on other communication tasks

He/she should

- be communicative and enjoy networking
- be a team player but able and willing to work autonomously and to take over responsibility
- speak Slovenian and English (fluent writing and communication skills)
- be knowledgeable of social networks
- be acquainted with the basics of river ecology
- have some experience with environmental politics and lobby work and
- most importantly, be enthusiastic and motivated to save the Sava

We offer

- The national campaign coordinator will be based in Slovenia (home office possible)
- We are looking for a full time position, however, a part-time position may be negotiated
- The employment will start in October 2014 and last until September 2016 (24 months)
- Ideally, we are seeking a person working for a Slovenian NGO, though other ways of engagement may be taken into account
- Salary according to national standards and depending on qualification and experience

Please send your application, including a motivation letter (one A4 page max.) and your CV to Cornelia Wieser (cornelia.wieser@riverwatch.eu) and Romy Durst (romy.durst@euronatur.org) by September 5, 2014.
